We Serve
Establish 1958

The Norfolk Lions Club is forever thankful to all our benefactors and friends for their continued commitment to our mission over the last 60 years. Their generosity enables us to continue to serve our Community and promote the mission of the Lions Club International.

In an effort to help maximize the benefit of our generous supporters, the Annual Sponsorship program was created. The program provides our benefactors with the ability to sponsor ALL our events through a single annual appeal.

What We DO

The Norfolk Lions Club was established in 1958 as a 501(c)(3) non-profit organization made up of men and women dedicated to serving the community of Norfolk, Massachusetts and promoting the mission of Lions Club International, an international secular, non-political service organization founded by Melvin Jones in 1917.

Lions are friends, family and neighbors who share a core belief that *community is what we make it*. One of the main goals of the Norfolk Lions Club is to add value to the local quality of life here in Norfolk. Events like Christmas Tree Sales, the Santa Parade, Community Day, Polar Plunge, Chili Fest, and the Haunted Train Ride are just a few of many events sponsored by the Norfolk Lions. These annual traditions, are excellent examples of how "**we serve**" our community.
